Resolution of the Administrative Committee.

Resolved that the Annual Report of the Joint Honorary Secretaries be adopted, and that they be authorized to print and circulate copies of the same for the information of subscribers.

In thanking all workers throughout the Presidency for their continued exertions and, at the same time, placing on record their gratitude for the generous support which the Fund still receives from all quarters, His Excellency the President and the Members of the Administrative Committee also take this opportunity of giving expression to their sense of confidence that, should a fresh appeal for support become necessary in view of the increasing expenditure entailed by the extension of the War, a similar generous response to that which the first appeal elicited will be forthcoming from all sections, classes and creeds of the peoples of the Presidency and the Indian States therein.

Annual Report by the Honorary Secretaries for the year ending 31st December 1915.

To

HIS EXCELLENCY THE PRESIDENT

AND

THE MEMBERS OF THE ADMINISTRATIVE COMMITTEE.

YOUR EXCELLENCY AND GENTLEMEN,

We have the honour to place before you the Audited Statement of Accounts upto 31st December 1915 together with our fourth report on the administration of the Bombay Presidency Branch of the Imperial Indian Relief Fund. Appended to the report are copies of our second and third reports for the quarters ending 30th June and 30th September, respectively.

Administrative Committee.

1. The administration of the Fund was, as heretofore, carried on by the Administrative Committee which held 14 meetings during the year under report for the transaction of business, making a total of 24 meetings since the inception of the Fund. The *personnel* of the Committee remained unchanged except for the deaths of the late Hon'ble Mr. Fazulbhoy M. Chinoy, C.I.E., one of the Members, and of the late Hon'ble Captain W. L. Graham, the Joint Honorary Secretary. Lt.-Col. W. E. Jennings, I.M.S., was appointed as Joint Honorary Secretary in succession to the late Hon'ble Captain W. L. Graham.

General Committee.

2. The *personnel* of the General Committee remained unchanged except for the death of the late Hon'ble Sir Pherozeshah M. Mehta, K.C.I.E., and the retirement from India of the Hon'ble Mr. (now Sir) Marshall Reid, C.I.E. It was only found necessary to summon this Committee on one occasion.

Hospitals.

3. With the exception of the vacancy caused by the death of the late Hon'ble Mr. Fazulbhoy M. Chinoy, C.I.E., the *personnel* of the Hospitals Sub-Committee remained unchanged during the year. The expenditure during the year on the Lady Hardinge War Hospital and the Bombay Presidency General Hospital at Alexandria amounted to Rs. 4,46,991-13-6.

Lady Hardinge War Hospital, Bombay.

During the year under report there were 2,706 admissions, making a grand total of 2,865 from the date of opening upto 31st December 1915.

Bombay Presidency General Hospital at Alexandria.

There were 4,532 admissions into this Hospital from the date of opening upto 31st December 1915. Of these, 637 were Indians and 3,895 Europeans and Colonials. On the 9th September there were 873 patients which is the highest number reported on any single date.

General Notes.

Appended to this report is a resume by the Chairman of the Hospitals Sub-Committee of the work of the Hospitals together with Audited Statements of Accounts and other statistics of interest. The extension of the War in Mesopotamia has rendered necessary additional

Hospital accommodation in Bombay and it was decided towards the end of the year to increase the Lady Hardinge War Hospital by 100 beds, to open another Hospital of 500 beds and to establish a separate Hospital of about thirty beds for sick and wounded officers in Bombay. The new large Hospital will be located in the Royal Institute of Science Building, the completion of which is being expedited, and the Members of the Byculla Club have kindly placed a portion of the Club House and the Club service at the disposal of the Administrative Committee for the Officers' Hospital. It was also decided to consult the War Office regarding the withdrawal of the Bombay Presidency Hospital at Alexandria in consequence of the transfer of the Indian Brigade from France to the Near East. The Chairman of the Hospitals Sub-Committee was, therefore, authorized to write to Surgeon-General Babtie requesting him to ascertain if the War Office would agree to the withdrawal of the Hospital and at the same time to offer the Hospital, minus the *personnel*, to the War Office at a price to be decided upon by valuation should its retention be considered desirable. A reply was received stating that the War Office would be willing to take over the Hospital including *personnel* upon certain conditions if the Fund were unable to continue to maintain it. This offer was considered at a later meeting and it was decided to retain the Hospital under existing conditions for a further period of six months and; before the expiration of that period, to reconsider the question in order to decide whether the period should be extended or the Hospital handed over to the War Office.

Motor Ambulances.

4. The Committee have been most fortunate in getting gifts of Motor Ambulances from several generous donors and they have maintained and equipped these as well as others which they have had to purchase out of the Fund in addition. The Committee have spent a sum of Rs. 42,099-13-11 within the period under report upon the purchase and equipment of the Ambulances. The St. John Ambulance Brigade have rendered invaluable services in the handling of the very large number of wounded so far received. A statement giving a list of cars in possession of the Fund, together with all particulars regarding them, is appended to this report.

Accounts.

5. The Audited Statement accompanying the report shows the position of the Fund on 31st December 1915.

Receipts.

During the year under report the subscriptions amounted to Rs. 9,63,345-8-10 bringing the total amount received upto 31st December 1915 to Rs. 40,22,125-9-5. This shows the steady and generous support which the Fund continues to receive from all quarters and sections of the Bombay Presidency. The Honorary Secretaries of the various branches were indefatigable in their efforts and have earned the grateful thanks of the Committee for the work which they have so willingly undertaken and so successfully carried out. Detailed lists of subscribers are appended to the report.

Expenditure.

The expenditure during the year under report amounted to Rs. 5,92,657-8-2, bringing the total expenditure upto 31st December 1915 to Rs. 7,85,255-11-7. The principal disbursements were in connection with the maintenance charges of the Lady Hardinge War Hospital and the Bombay Presidency General Hospital at Alexandria. A sum amounting to Rs. 9,605-5-9 was distributed in relief as cases arose and a sum of Rs. 6,000 was given for the endowment of three beds in the St. John Ambulance War Hospital at Dehra Dun.

Funds.

6. The Funds are on Fixed Deposit for short periods, and at a specially arranged rate of interest, in the Bank of Bombay, with the exception of a sufficient balance in the current Deposit Account to meet recurring and necessary expenditure and of securities of the value of Rs. 17,600 which were so received and have been so retained. A sum of Rs. 80,869-7-5 has been credited as interest for the period under report while the interest for the total period of the Fund amounted to Rs. 8,369-7-5.

Out of the total amount a sum of Rs. 15,00,000 has been promised to His Excellency the Viceroy's Central Fund.

Summary.

It will thus be seen that the total expenditure upto 31st December was Rs. 7,85,255-11-7, leaving a balance out of the total revenue up to that date of Rs. 33,25,239-5-3. Out of this, Rs. 15,00,000 has been promised to His Excellency the Viceroy's Central Fund and Rs. 3,00,000 has been allotted as initial expenditure for the Hospital extension referred to in para. 3 above. The available balance is thus only about Rupees Fifteen and a half Lacs. It is therefore probable that a further appeal for support may have to be made in the near future on a large scale, not only because of the heavy recurring expenditure which will be entailed in maintaining the additional Hospital accommodation, but also because it is expected that, as the War advances, claims for relief will become more abundant.

Report of Progress from 1st April to 30th June 1915, by the Honorary Secretaries.

WE have the honour now to place before you the audited statement of accounts up to 30th June, 1915, together with our second report on the administration of the Bombay Presidency Branch of the Imperial Indian Relief Fund.

Administrative Committee.

1. The administration of the Fund has been carried on by the Administrative Committee in the *personnel* of which since the last report there has been no change. The Committee has met at regular intervals for the transaction of business.

Accounts.

2. The audited statement accompanying the report shows the position of the Fund.

Receipts.

From the 1st April to the 30th June the receipts have amounted to Rs. 1,35,455-8-5 which shows the steady and generous support which the Fund continues to receive from all quarters and sections of the Bombay Presidency. The honorary secretaries of the various branches have been most indefatigable and assiduous in their efforts, and the grateful thanks of His Excellency and the Committee of the Fund are due to them for all the work which they have so willingly and successfully undertaken.

Expenditure.

The amount under this head has been mainly on account of the maintenance charges of the Lady Hardinge War Hospital at Bombay and the Bombay Presidency General Hospital, at Alexandria, and for the period under report amounted to Rs. 1,85,247-0-6.

Funds.

3. The funds, with the exception of the requisite balance in the current deposit account for necessary expenditure, continue to be placed at fixed deposit for short periods with the Bank of Bombay. Such portion of them (Rs. 17,600) as have been received in securities have been so retained.

Red Cross Funds.

4. The following sums were voted and remitted :—

To the Serbian Red Cross Fund	£	1,500
To the Montenegrin Red Cross Fund	£	250

Both amounts have been gratefully acknowledged.

Local Relief.

5. The amounts distributed in local relief at present amount to Rs. 4,553-12-0. The Relief Sub-Committee under Mr. S. M. Edwardes, C.S.I., C.V.O., has dealt with all appeals for assistance that have reached us. The appeals so far have been for small amounts and for cases requiring immediate relief.

Hospitals.

6. The management of the hospitals has been administered by the Hospitals Sub-Committee under Mr. P. R. Cadell, C.I.E. The Lady Hardinge War Hospital at Bombay and the Bombay Presidency General Hospital at Alexandria both continue to do splendid work. The former since its opening in December has treated in all 1,221 cases. The numbers treated by the Alexandria Hospital have not yet been definitely ascertained, but owing to the extensive operations in the Dardanelles have been considerable,

As mentioned in our previous report the Alexandria Hospital has been converted into a European General Hospital for the treatment of troops of the British Imperial and the French forces and this was found possible owing to the fact that the number of Indian sick and wounded for admission to hospital had been so small. As a consequence the French and Australian military authorities have undertaken to bear the extra cost resulting through the admission of European troops and the cost of the increased accommodation which had to be provided for. The hospital has been visited by His Highness the Sultan of Egypt, by His Excellency Sir Henry McMahon, High Commissioner of Egypt, and by Sir Courthold Thompson, Chief Commissioner of the Red Cross Society, accompanied by Col. Manifold, I.M.S., D.D.M.S. Lines of ommunication, all of whom have expressed themselves highly pleased with everything they saw and that was being done.

The Medical Officers, Nurses, and the menial and other staffs of both the hospitals continue to render devoted service and the cordial thanks of His Excellency the President and the Committee are due to Officers and Staffs of both hospitals.

St. John Ambulance Brigade.

The Brigade, under Mr. H. G. Clark, still continue to assist in the disembarkation of the wounded from the hospital ships and their subsequent entertainment when necessary. The splendid voluntary work which they are so willingly doing entitles them to the cordial approbation and gratitude of all.

Motor Ambulances.

7. We are glad to be able to report that another motor ambulance has been generously presented to the Fund by His Highness the Raja Saheb of Bansda. Through other arrangements having been made at Alexandria for the transport of the wounded the two motor ambulances which were originally intended for that hospital are now on their way out to Bombay and will be landed shortly. These are specially fitted for the conveyance of the more serious cases.

8. In conclusion we have been requested by His Excellency to tender on his and the Committee's behalf the keen appreciation which is felt at the continuous support which the Fund receives and which enables them to do so much in alleviating pain and suffering and it is hoped that all will realise that, owing to the protracted nature of the great war in which the Empire is involved, further funds will be required to meet the urgent calls which will undoubtedly be made hereafter.

Report of Progress from 1st July to 30th Sept. 1915, by the Honorary Secretaries.

We have the honour to place before you our third report on the administration of the Bombay Presidency Branch of the Imperial Indian Relief Fund together with the audited Statement of Accounts as on 30th September 1915.

Administrative Committee.

1. It is with deep regret that we have to record the untimely and sad deaths since our last report of the Hon'ble Mr. Fazulbhoy M. Chinoy, C.I.E., one of the members of the Committee, and of the Hon'ble Captain W. L. Graham, the Joint Honorary Secretary. The Committee, at the meeting held on the 18th August under the Presidentship of His Excellency the Governor, adopted the following resolutions conveying sympathy to the families of the deceased and expressing appreciation of the services rendered by them :—

"That the Administrative Committee place on record this expression of their sincere sorrow at the premature and lamentable death of the Hon'ble Mr. Fazulbhoy M. Chinoy, C.I.E., their sense of the great loss sustained thereby and their grateful appreciation of his valuable co-operation on the Committee and of his services as a member of the Hospitals and Relief Sub-Committees.

Further resolved that a copy of this resolution be sent through His Excellency the President to the family of the deceased."

"That the Administrative Committee place on record their sense of deep sorrow in the heavy loss they have sustained by the sudden and untimely death of the Hon'ble Captain W. L. Graham to whose untiring devotion and indefatigable energies, in his capacity as Joint Honorary Secretary, is due to an eminent degree the great success which has been achieved by the Bombay Presidency Branch of the Imperial Indian Relief Fund.

In deploring the said accident which has cut off a life so full of usefulness, zeal and promise, they also desire to place on record their high appreciation of the valuable services rendered by him from the inception of the Fund up to the time of his death.

Further resolved that a copy of the above resolution be sent through His Excellency the President to the widow and family of the deceased."

Lt.-Col. W. E. Jennings, I.M.S., was appointed to succeed the late Hon'ble Captain W. L. Graham as Joint Honorary Secretary. Otherwise the *personnel* of the Committee remain unchanged.

Accounts.

2. The audited Statement of Accounts accompanying this report shows the position of the Fund.

Receipts.

The receipts from 1st July to 30th September amounted to Rs. 1,16,089-10-0.

This demonstrates the continued generous support the Fund is receiving from all sections, classes and creeds of the peoples of the Presidency, and the Indian States therein.

Funds.

3. The Funds which on the 30th September amounted to Rs. 37,68,162-12-3 are on Fixed Deposit for short periods in the Bank of Bombay with the exception of a sufficient balance in the Current Deposit Account to meet recurring and necessary expenditure and of securities of the value of Rs. 17,600. Out of the total amount Rupees Fifteen Lacs have been promised to H. E. the Viceroy's Central Fund.

Donations and Local Relief.

4. The Committee endowed three beds in the St. John Ambulance War Hospital at Dehra Dun for a period of one year from August 1915 at a total cost of Rs. 6,000. This hospital has been specially started by the Indian Council of the St. John Ambulance Association for the treatment of deep-seated injuries among wounded Officers and Soldiers from overseas and is worked in connection with the X Ray Institute at Dehra Dun. It has accommodation for 2 British Officers, 2 Indian Officers and 20 Rank and File.

5. Rs. 5,635-6-9 have been expended up to the period under report in Local Relief on the recommendation generally of the Relief Sub-Committee, the *personnel* of which remained unchanged, except for the loss of the Hon'ble Mr. Fazulbhoy M. Chinoy.

Hospitals.

6. With the exception of the vacancy caused by the death of the Hon'ble Mr. F. M. Chinoy the *personnel* of the Hospitals Sub-Committee remained unchanged.

Lady Hardinge War Hospital, Bombay.

During the period under report there were 609 admissions into this Hospital, making a grand total of 1,831 from the date of opening to the 30th September. The expenditure for the quarter was Rs. 37,575.

Bombay Presidency General Hospital, Alexandria.

There were 2,292 admissions into this Hospital from the date of opening to the 31st of July 1915. On the 9th of September there were 873 patients which is the highest number reported on any single day. The expenditure for the quarter was Rs. 58,273. The Hospital was visited during the quarter by Admiral Boue de Lapeyrere, Admiral in Chief of the French Mediterranean Squadron, and by the Duc de Guyse and Comte de Lehon, representative of the French Red Cross. On the 23rd of August the Medecin-Chef du Centre d'Hospitalier, Dr. Visbecq, intimated that other arrangements had been made for French sick and wounded and the Commandant of French Troops in Egypt in confirming this expressed grateful thanks for the attention accorded to his troops up to that date.

Motor Ambulances.

7. The two Motor Ambulances expected from Home were received and made over to the authorities for use for the sick and wounded. The Committee also purchased a Berliet Ambulance and received a motor car for ambulance purposes as a gift from H.H. the Jam Saheb of Nawanugger.

Resumé by the Chairman, Hospitals Sub-Committee.

Lady Hardinge War Hospital.

The Lady Hardinge War Hospital was opened on the 10th December 1914. It was placed under the command of Lieutenant-Colonel J. G. Hojel, I.M.S., assisted by a staff of seven Physicians and Surgeons, who have given their services free, and Assistant Surgeon P. X. Godinho as Resident Surgeon. It was intended at first that the Hospital should not take more than the serious cases which could not be sent immediately up-country, and it was not anticipated that these would be many. Owing, however, to the severe fighting in Mesopotamia, together with cases from the Dardanelles, Egypt and East Africa, in addition to numerous cases from France, which required further hospital treatment, the Hospital has been constantly, fully, and increasingly used, and has proved of the greatest value. The total number of admissions upto 31st December was 2,865, the largest number in any one month being 277 in May. Owing to the great number of cases now arriving, it has been found necessary to erect additional wards in the compound, while the adjoining College of Science building is being rapidly completed to allow of its use as a hospital, which will also be under the control of Colonel Hojel, and which will work in conjunction with the Lady Hardinge Hospital. The usefulness of the hospitals established in Bombay has been thus fully established. The Lady Hardinge Hospital has been visited by many distinguished persons, and they have been unanimous in their approval of it. The eminent suitability of the fine building for use as a Hospital, and the manner in which it has been furnished, largely due to the unfailing assistance of the Women's Branch, has greatly contributed to the success of the Hospital, and the Indian Officers and men have been most appreciative of their treatment therein. The able and unwearying management of Col. Hojel, the skill and patience of his Medical Staff,nearly all of whom have, as stated above, given their services without payment, and the devoted labours of the Matron and Nurses have, however, been the main cause of the success of the hospital. The thanks of the Committee are due also to the small band of ladies who have attended regularly to make the patients' beds, to Mr. Wittet, Consulting Architect to Government, and his staff for their ready adaptation of the buildings, and to Mr. Millard for his care of the lawns, which have proved so pleasing an adjunct to the Hospital. Among the many persons who have given gifts to the patients, special thanks are due to Kumar Shri Lakhdhirji of Morvi, who was appointed Visitor of the Hospital and who was unwearied in ascertaining, and in, so far as was possible, meeting the small wants of the patients.

The Statements of Expenditure will show that the Hospital has been run on very economical lines, the cost upto 31st December 1915 being Rs. 1,40,209, as shown in Statement B. It may be hoped that the cost of Dieting (Rs. 23,251) or a great portion of it, which is included in the above figure may be recovered from Government, who have borne similar expenditure elsewhere.

Bombay Presidency General Hospital.

The Bombay Presidency General Hospital was despatched to Egypt in the beginning of January 1915, and arrived there on the 18th idem. It was placed under the charge of Lieut.-Colonel J. B. Smith, I.M.S., assisted by Major T. C. Lucas, R.A.M.C., lately Surgeon to His Excellency the Governor, and by Captain A. F. Hamilton, I.M.S., together with a staff of 12 young Indian doctors, to whom the temporary rank of Lieutenant in the I.M.S., was granted and sixteen nurses. In addition to the cost of equipment and outfit amounting to Rs. 1,22,520 as shown in Statement C, a very large amount has been furnished by the Women's Branch of the Presidency War Fund who have been most generous in supplying the varied and extensive demands of the Hospital. The Hospital was intended for the treatment of Indian sick and wounded from the troops in France and Egypt. Owing, however, to the establishment of hospitals for the Indian wounded in England, where they were treated until they could return

to the front or until they could stand the journey direct to India, and owing to the small amount of fighting in Egypt, there were very few Indians to be tended in that country, and these were amply provided for in the hospital provided by the Indian Government. At first, therefore, the Bombay Presidency Hospital, which was established in the Ramleh Casino at San Stefano near Alexandria, a large and suitable building, the cost of which has been borne by the Home Government, had comparatively little to do. The retention however of large Australian and New Zealand contingents in Egypt naturally entailed a considerable amount of sickness. At the request of the General Officer Commanding in Egypt, Australian and New Zealand, sick were gladly admitted into the Bombay Hospital, and a considerable number of cases were treated. When a large French force was assembled at Alexandria preparatory to the Allies' attack upon the Dardanelles acting far from their original bases, the hospital accommodation for these troops was naturally insufficient, and the Military authorities requested that the Bombay Hospital should be opened for cases from French forces. This necessitated an increase in the number of beds from 500 to 600, and an increase of staff. The Committee of the Bombay Presidency gladly agreed to their Hospital being used in the common cause for the sick wounded of our gallant allies, and a large number of cases were treated there, both while the French force remained in Egypt, and when wounded men came from the Dardanelles. This continued until 27th August, when the French Military Authorities had arranged their own Hospitals. Most gratifying acknowledgments were received from the French Authorities of the treatment which their sick and wounded received in the Hospital. In addition to other staff, Col. Smith recruited temporarily attendants from among the Syrian refuges with a knowledge of French. After the withdrawal of the French cases there was a great influx of British Colonial sick and wounded from the Dardanelles, the number on one day actually reaching 873. Major T. S. Novis, I.M.S., was added to the staff, and staff was lent from other Hospitals. The hospital has since been reduced to 500 beds. The number of cases admitted has been as follows :—

Home Forces	1,698
Indians	637
Australians and New Zealanders	567
French	1,627
Russians	3
Total ..	4,532

The total number of days spent in Hospital was 4,493 for the Indian, and 125,286 for the European and Colonial Soldiers.

The Hospital received the commendation of many officers of high rank who inspected it, and it is clear that it has done most valuable work to the common cause. The thanks of the Committee are due to Lt.-Col. Smith and his staff for their assiduous and devoted work.

The cost of the hospital is shown in Statement C. It will be seen that the cost to the Fund has been Rs. 3,31,747, while the Government of India have borne the cost of establishment amounting to Rs. 47,658, and the Home Government, on account of staff, rations, diets, etc., an amount of Rs. 3,19,809, a total of Rs. 6,99,214. The cost of Medical stores, rent, etc., which has been borne by the Home Government has not been shown in the above, nor, of course, the value of the large amount of hospital equipment and comforts sent by the Women's Branch.

Ambulances.

Statement D shows the cost of Rs. 21,525 on account of Ambulance charges borne by the Hospitals Sub-Committee's funds. They represent repairing and adaptation charges of the Ambulances presented by private persons, or purchased by the General Committee, and their running charges. These ambulances were used not only for the Lady Hardinge Hospital, but for the British Soldiers' Hospital at Colaba, and the Indian War Hospital and Convalescent Camp at Marine Lines.

Gifts.

Numerous gifts were received for the Hospitals Committee, the chief of which were Motor Cars for ambulance purposes, while other gentlemen were kind enough to lend their cars for giving the wounded men drives.

The Hospitals Sub-Committee desires to thank them, and the donors of Hospitals comforts and to assure them that such gifts and assistance are greatly appreciated.

Receipts and Expenditure.

The expenses of the Hospitals and Ambulances as shewn above amount to Rs. 5,36,515, while the office expenses have been Rs. 1,061, a total of Rs. 5,37,576.

In addition to the contribution made by the Relief Fund (Rs. 4,45,000), the following amounts were received by the Hospitals Sub-Committee.

	Rs.	a.	p.
Subscriptions received from Jorhat, Assam, and His Majesty's s.s. "Northbrook" towards the expenses of the Lady Hardinge War Hospital ..	81	0	0
Subscriptions from Messrs. Narandas Rajaram & Co., and Messrs. Hirji Khetsey & Co., for supply of fruits to patients in the Hospital	200	0	0
Payments made in 1915 by the Trustees of Prince of Wales Museum for upkeep of the Garden of the Lady Hardinge War Hospital	1,623	0	0

Thus the total receipts of the Hospitals Sub-Committee amounted to Rs. 5,44,034-4-7 and the expenditure to Rs. 5,34,705-15-5, leaving a balance of Rs. 9,328-5-2 on the 31st December, 1915.

Statements A, B, C and D attached to this resumè show respectively the receipts and expenditure of the Hospitals Sub-Committee, and the monthly expenditure of the two Hospitals and the Ambulances.
